Hosho-in Temple

This is a Shingon sect temple. It was originally located in Taito City; however, it suffered damage in the Great Kanto Earthquake in 1923 and was relocated to its current location in 1927. Shusse Daikokuten (deity of success in life and wealth), which was said to draw many worshippers such as the shogun family and people of Edo, is deified here. On the temple festival day of Koshi, the temple is crowded with many visitors.
